Handwritten text, likely a letter or document, written in cursive script. The text is faint and mostly illegible due to fading and the age of the paper. The document is on a single sheet of aged, yellowish paper with a small tear at the top right corner. The text appears to be organized into several paragraphs, though the specific words and sentences cannot be discerned.

Dear Burleigh:-

Jan.18,1964

Just a line to let you know I am still on the job and making some progress. Enclosed find \$ 3.00 for information that led to uncovering of HOXBRY (HAWKESBURY) data. I found them in 1861 Census for Portland Tp.; Allen Hoxbry, age 31, & wife Elizabeth (Crouse) & children Maria & Eliza, with Allen's parents, William & Mary Hoxbry; William, George, & Mary Jane appear to be other children of Wm. & Mary. In covering 51-61-71 Census returns I find the name spelled Oxbrough, Hocksberry, & Hoxborough ! Enough to drive one to cutting out paper dolls-but of course, this is what makes Genealogy the greatest of hobbies. I started copying Burleigh & Burley in same area but remembered you had an Uncle there so I deducted that you had copied same.

Some Burleigh Notes- (in the hope I have original data)

Benson Papers:-

Bath -to Isle de Tonti- June 1,1840 received 1s., 9d. for taking 1 cow;  
Napanee to Bath - 3 s. for 1 man- from Mr. Burley.

(there are 20 films in Archives on Lennox-Addington Hist. Soc.  
-including Benson and Cartwright & ~~Benson~~ Papers)

N.S. Archives, Vol I, in Archives Mss. Reading Room:-

June,1749- (the following came out to Nova Scotia with Gov.Cornwallis)

Fred'k Burley, Mariner, 1 person, on ship "Canning" Frigate,  
(Jr.) Andrew Dewar, Master, burthen 342 tons-171 passengers.

Fred'k Burley & wife (Cooper)-1 boy and 1 servant (page 539)

(looks like man & wife & son of same name)

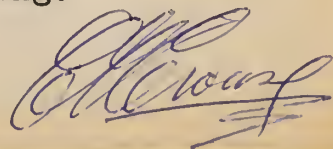

There are 51 pages of passenger lists of 1749 in this volume.  
Also 20 pages of Settlers List dated 1752. Noted Crous, Krout, Craws, and Bradshaw, on this latter list. Many U.E.L. names on Cornwallis list- quite sure many went down to New England. Also found U.E.L. names as well as Krause, Krous, other Hessian names in Census Rolls of Eastern Townships, Que. (Did you get list I sent?) I have ordered  
(end) 2 of N.B. & N.S. (one checklist) for you and I when issued next month.

I am very pleased to see that the Microfilming is going on apace with State papers, old Newspapers (including all Kingston) and Church Records. Notable among the latter St. Andrew's Church, Perth, Births, Marriages, Deaths, 1830 to 1887. This is progress with capital "P".

Copied 7 Marriage Bonds of "Hawley" in B of Q. area, c1830's.  
Have you these on fyle? If not, will send them along.

Running out of time and space, so long for now,

*(Typed from scribbled notes - please excuse margins)*

Dear Burleigh;

Although I have neglected to answer same until now, I ~~did~~ did appreciate getting several letters from you this year. I had hoped we would resume our correspondance started over 30 years ago. It seems that I am getting more steeped in Genealogy every day. I sure would like to see you again and have a chat as I have many items to discuss-and then to recall experiences of other days. In March 1971 I will be 60 and wish to retire then and devote all my time to writing and research.

I enclose the following which may interest you:-

- a) official notice of forming "North American Ancestry Research Soc." Cottingham (Hon.Wm. M.) is a good friend and ardent Gen-fan. He was in Duplessis Cabinet many years ago.
- b) two sheets of 1797 License list from Jarvis Collection in Toronto. The Baldwin Room has a great deal of valued papers and records of prominent Govt officials of early days.
- c) the newly printed "Blue Book" of vital records. I am particularly pleased with the old Lutheran Registers, 1790 onwards, which were found covered with dust in Anglican Synod vaults in Ottawa. I had the pleasure of carrying same over to Archives for filming. (see page 15) also took down our own local Anglican Registers (page 16) of Clarendon, 1823-1898.

Have you consulted the following? -Lennox-Addington Militia Pay Lists and Muster Rolls of post War-1812 (many of your name listed) - the microfilms of Midland District By-Laws, 1842-49 followed by same for County Council, 1850-1864, full of local history. -the mss. collection of Post Office Records, also containing much local history. -film of Township Maps of Ontario Crown Lands Dept. surveyors maps containing names of land owners. I found one with names of Gt. Grandfathers Crouse & McTaggart, cal 845, for Tyendinaga Twp. The new newspaper Dept. of Archives has hundreds of rolls of film on old pubs. in Canada. Montreal Gazette from 1786 onwards is of special interest as news from Ontario with births, marriages, burials, often mentioned.

I finally found parents of my William Bell Grieve, Hotelman of Napanee, 1818-1885, my Gt. Grandfather. His ~~fa~~ parents were George Grieve, Schoolmaster, and wife .....Bell, of Vaudreuil, Beauharnois, and that area east of Montreal. George died in the latter City at home of a daughter, in 1842. I am now trailing them into Jedburgh area of Roxburghshire, Scotland. Incidentally-Scottish vital records may be had at the new L.D.S. (Mormon) Library in Toronto, on film. In fact thousands of reels are available on loan from Salt Lake.

Farewell for now-keep the letters rolling. Best regards to your wife and family. Come up to see us some time. As ever your friend,

*P.S. - Ruby & girls all well -*

*Gord.*
